Description is a cracking bargain. Do not be put off by the relatively humble price tag. It is extremely good value. If you think it is too cheap we can point you in the direction of someone that sells it a whole lot more expensively and gets away with it. It has a very fine, balanced character. Extremely well made fizz from all three official Champagne grapes (Chardonnay, Pinot Noir & Pinot Meunier in equal amounts) for a rounded, consistent, "non-sharp" style. It is Champagne at a price that all Champagne should be! 12.5% Alc. <http://www.champagne-gobillard.com/>
