~~Deception~~ blend (merlot, cabernet sauvignon, petit verdot) so this is quite serious; but with an underlying depth of dark brambly fruit, rich and plummy with hints of warm cloves leading to a satisfying finish with grippy but well-integrated tannins. The winery is pronounced SORG-fleet, which roughly translates as "no worries", Zorgvliet is a small family-owned winery in Banghoek, one of the six "wards" or districts of Stellenbosch. Zorgvliet is a stunning spot at one end of the Simonsberg Mountain on the beautiful Helshoogte Pass (Hell's Heights)
