La Mancha. So berry-ish it's almost Mary Berry... but not half-baked, no, no, no....

Manufacturer [BODEGAS CRISTO DE LA VEGA](#)

Description New addition to our blimey-it's-cheap-but-god-it's-actually-pretty-darn-good range.

Simon particularly likes the label that Richard's moody shaky-cam photos don't do true justice to (there's proper shiny gold leaves on them!)

A Mr Kipling-esque blend of red cherries, raspberries, blackcurrants, almonds and hazelnuts. Great value indeed.
